In the interest of temperance, the local branch of the Anti-Saloon League will hold a roving mass-meeting in the Kaumakapili church, Kalia, at 7:30 o'clock tomorrow evening.

Music for the occasion will be furnished by a large number of the champion vocalists who are in attendance at the ninety-third annual convention of the Hawaiian Evangelical Association.

The speakers will be Rev. George Langston of Hilo, considered one of the most forceful speakers in the territory; Rev. Stephen L. Desha, the "silver-tongued" orator from the Crescent City, who will speak in Hawaiian, and Doctor Wadman.

On the platform with the speakers will be representatives of the various nationalities interested in the work of the league. They will include Rev. F. G. Silva of Hilo, Portuguese representative; Rev. C. Nakamura, Japanese; Rev. C. C. Ramirez, Filipino, and Tse Kei Yuen, Chinese. Rev. Mr. Lake, recently appointed missionary at Hana, will offer prayer.

Doctor Wadman today outlined the purpose of the mass-meeting as follows:

"To stir up enthusiasm on the part of all temperance people of all nationalities, including the representatives from the various islands, so that they will go back to their respective islands with a message of cheer and inspiration in support of the work of the Anti-Saloon League of Hawaii."

The adjourned annual meeting of the league will be held in Kaumakapili church at 10:30 o'clock Wednesday morning. W. A. Bowen, chairman of the advisory council and a veteran worker in the cause of temperance, will preside.

During the session a visit will be paid to the meeting by the Kakaako boys and girls who are members of the Lincoln-Lee Legion, with banners and musical instruments.

GOING TO SOUND U. S. OFFICIALS ON LATE DEMANDS

To tour the United States and to visit the Panama-Pacific exposition, S. Tamura, a member of the Japanese diet, arrived in Honolulu as a through passenger in the Tenyo Maru this morning, on his way to San Francisco. "My mission to the United States is to investigate what American officials are thinking regarding the Japanese-Chinese situation," he said to a representative of the Star-Bulletin. "I do not know whether I shall go to Washington, D. C. or not. I would rather stay on the Pacific coast and make a study of Japanese conditions in California.

"Some people believe that the Japanese-Chinese policy is a failure, but I do not think so. Some have attacked Baron Kato, but in my opinion the Japanese officials have done their best to solve the Chinese question."

MANY NOTABLES FROM JAPAN ARRIVE

Notables of Japan, among whom are President Asano of the Toyo Kisen Kaisha steamship company, Rev. Daniel Yebina of the Kong Congregational church of Tokio; Rev. M. Hoki, a Buddhist priest; Lieut. H. Wada of the Japanese aero corps; Captain A. Miki of the Japanese army and others are among those who are being entertained by local Japanese at the Mochizuki Club at Waikiki and other places in Honolulu today.

The arrival of the Tenyo Maru today made possible the visit of the Japanese notables. A group of Japanese businessmen and the editors of the local Japanese newspapers waited upon President Asano of the T. K. K. after the Tenyo docked at 10 this morning. At 1 p. m. Edward D. Tenney of Castle & Cooke, local agent of the line, dined the visitors and local Japanese businessmen at the Country Club.

At 6 o'clock tonight Mr. Asano will be host to local Japanese business and professional men at a dinner he is to give at the Mochizuki Club. He expects to stop over in the islands for one or two weeks on the return trip from San Francisco. Mr. Asano is going to the coast for the joint purpose of recuperating in health and visiting the exposition.

Fifteen "cherry" girls, who are en route from Japan to the Japanese concession at the Panama-Pacific exposition, will assist Mr. Asano in entertaining his guests at Mochizuki Club tonight.

A committee of the Japanese Minister's Association of Honolulu waited upon Rev. Yebina at the pier this morning. He was escorted about the city in an automobile, and a lunch was given in his honor this noon. At 5 o'clock he will be the guest of local Japanese ministers and businessmen at the Mochizuki Club.

Tonight at the Japanese church on Nuuanu and Queen streets both Mr. Yebina and Mrs. Yebina will address an open meeting of Japanese on religious conditions in Japan, and on plans for future church work in Tokyo.

Local followers of Buddhism also were on the wharf this morning when the Tenyo docked and Rev. H. Hoki, a Buddhist priest of Japan, was welcomed to Honolulu. He also was taken about the city in an automobile and tonight at the same hour and place as that of Mr. Yebina's dinner. Rev. Hoki will be banqueted and he also will speak to followers of his creed tonight.

His address will be given in the Japanese institute on Nuuanu street. Both Rev. Hoki and Rev. Yebina are going to San Francisco to represent their churches at the inter-denominational religious convention to be held in San Francisco room.

Baron Shibusawa, sometimes referred to as the "nestor of Japanese commerce," was booked for the Tenyo, but canceled his passage just before the steamer left Yokohama. It is expected that he will come on the next boat. He is going to visit the San Francisco fair and plans are being made to entertain him en route at Honolulu.

BOYLE'S FRIENDS TRYING TO LAND HIM A BIG JOB?

It is rumored that friends of J. Walter Doyle, who arrives tomorrow on the Matsonia, will begin a campaign soon for his appointment to the manager of the pageant for next winter's Carnival.

Doyle has made himself famous in San Francisco with his effective work on the Hawaiian pageant and the pageant given by the delegates to the Newspaper Day convention. It is due to these successes that the campaign for him in the new position will be started.

Judge Henry E. Cooper is director-general of the Carnival but has named no manager for the pageant, nor has a particular pageant been definitely announced.

Long as administrator of the estate of James Oswald Lutted, who died recently in Honolulu. It appears that Mr. Lutted left two wills, one naming Mrs. Sledge as executrix and the other naming a Mrs. Brown. Judge Ashford "split the difference," as it were, and appointed Attorney Long as administrator.

A special train of 10 cars yesterday carried a great crowd of persons to the A Patria Society lunch basket picnic at Pearl City. The train, which was to have started at 8:30, was delayed on account of the inclement weather of the previous night and the early morning, and it was not until after 10 o'clock that the crowd got away. The ardor of the crowd was not at all lessened by the delay, however. The party returned last evening on the 7 o'clock train.

When the doors of New York's newest and most exclusive luncheon club are thrown open in the near future, the many white-clothed tables will be found set with a dinnerware pattern that has stood the test of time and is today what it was one hundred and thirty-six years ago—a classic dinnerware service.

The membership of the Bankers' Club will, needless to say, embrace the heads of the best families of America, cultured to a degree and, many of them connoisseurs and collectors of ceramics, their aesthetic taste was doubtless taken into consideration in selecting the dishes to be placed before them.

The design is known as the "Mussel" pattern and is the famous blue fluted brought out by the Royal Copenhagen potters in 1779 and successfully manufactured ever since.

Dimond & Co. consider themselves fortunate in securing this ware for Hawaii. Its adoption by the Bankers' Club is the best endorsement of its artistic and wearing qualities.—Adv.
